Dear [REDACTED]

BCE FOI/2020/03

Thank you for your email request for information to the Boundary Commission for England (BCE) on 20 February, which has been considered under the terms of the Freedom of Information Act (FOIA) 2000.

You have requested:

For every ward in Britain, please provide:

- *The name of the ward*
- *The parliamentary constituency the ward is in*
- *The total number of votes in the 2019 general election*
- *The total number of postal votes in the 2019 general election*

The first two items of information you have requested are already in the public domain. I have provided a link to the relevant page on our website: <https://boundarycommissionforengland.independent.gov.uk/data-and-resources/>. The information you require is under 'historic electorate data'. The spreadsheet has a number of tabs. Data about the ward names, their electorate and the constituency in which they are located can be found under each individual local authority tab.

With regard to information about the total number of votes cast in the 2019 general election, and the number of those that were postal votes, this is data that the Boundary Commission for England neither compiles nor holds. Might I therefore suggest you try the Electoral Commission who might have this information.

If you have any further queries regarding this response, please contact the Commission, quoting the reference number above.

If you are not content with this response, you may apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at:
