Dear ███████

BCE FOI/2020/11

Thank you for your FOI request of 6 July 2020 to the Boundary Commission for England (BCE) under the provision of the Freedom of Information Act 2000.

As your request is so straightforward, I am sending a full reply now, rather than later within the statutory statutory 20 day period.

You have asked:

1. *How many people are employed by your organisation, including full time and part time?*
2. *What is your current intranet solution? (Sharepoint, Wordpress, Invotra, etc)*
3. *How long have you been using this intranet solution?*
4. *When is your intranet contract up for renewal?*
5. *What is your annual intranet budget?*
6. *Do you share an intranet/IT services with other organisations, if so who?*
7. *Which team and/or individual(s) are responsible for managing your intranet internally?*
8. *Are you using the Office 365 suite? If so, which applications from the suite are in use?*
9. *Which team and/or individual(s) are responsible for your intranet's procurement within the organisation?*
10. *Is your Active Directory hosted on-premise, or in the cloud?*
11. *Could you provide us with a link to your Digital Workplace Strategy?*

1. The Boundary Commission for England currently employs 3 part-time staff. This equates to a full-time staff equivalent of 1.4 people.

I am not able to provide answers to the remainder of the questions asked because this is not information that the BCE holds or compiles. The BCE is a small, arms-length body: all of its IT and support is provided to it by the Cabinet Office, and the BCE uses the Cabinet Office intranet.

Might I therefore suggest that you redirect your query to the Cabinet Office. I have provided a link here ----
