Dear [REDACTED]

BCE-FOI-2025-03

Thank you for your email request for information to the Boundary Commission for England (BCE) on 5 February 2025, which has been considered under the terms of the Freedom of Information Act (FOIA) 2000.

In your request for information you asked:

I would like to request the following information regarding your organisation's apprenticeship offerings:

1. What apprenticeship programmes are currently offered internally within your organisation?
2. Is your organisation an apprenticeship levy payer? If so, could you provide details about how the levy is utilised?
3. The contact details (name, email, and/or phone number) for the person(s) responsible for Learning & Development and apprenticeships within your organisation.

Our response:

The Commission is largely dormant following the conclusion of the 2023 Review of Parliamentary constituency boundaries. We have two part-time staff and will not be considering apprenticeships or other learning and development until we begin preparing for the next review, currently planned to commence in 2029 and conclude in 2031.

1. The Commission has no apprenticeship programmes.
2. We do not pay any apprenticeship levy.
3. We have no-one currently responsible for learning and development and apprenticeships.

Under the provisions of the FOIA, if you are dissatisfied with the response provided you may wish to ask for an internal review. If this situation arises you should write to:

The Acting Secretary
Boundary Commission for England
2 Marsham Street
London
SW1P 4DF

Email: information@boundarycommissionengland.gov.uk

If you are not content with our response following an internal review, you may apply directly to the Information Commissioner for a decision. Generally, the Information Commissioner cannot make a decision unless you have exhausted the complaints procedure provided by the BCE. The Information Commissioner can be contacted at:

The Office of the Information Commissioner
Wycliffe House
Water Lane

Wilmslow
Cheshire
SK9 5AF

Kind regards
