Dear [REDACTED]

Thank you for your email request for information to the Boundary Commission for England (BCE) on 27 February, which has been considered under the terms of the Freedom of Information Act (FOIA) 2000.

In your request for information you asked:

Please provide the following information for the 2022-23 and 2023-24 financial years:
The total income your organisation received from the government in each year.
Your organisation's total expenditure in each year.
Your organisation's total staff headcount in each year.
The year in which your organisation was originally founded

Our response:

During the years about which you ask, the Commission was sponsored and hosted by the Department for Levelling Up, Housing and Communities. It did not receive income from Government, rather it was allocated a budget by our sponsor which was managed using our sponsor department's systems.

	2022-23	2023-24
Budget	£1,808,000	£1,050,000
Expenditure	£1,701,027	£371,455
Staff (full-time equivalent)	17, reducing to 9	7, reducing to 1

You can read more about this in our annual reports on our website here [Governance and performance | Boundary Commission for England](#)

The Boundary Commission for England was founded in 1944.

Under the provisions of the FOIA , if you are dissatisfied with the response provided you may wish to ask for an internal review. If this situation arises you should write to:

The Acting Secretary
Boundary Commission for England
2 Marsham Street

SW1P 4DF

Email: information@boundarycommissionengland.gov.uk

If you are not content with our response following an internal review, you may apply directly to the Information Commissioner for a decision. Generally, the Information Commissioner cannot make a decision unless you have exhausted the complaints procedure provided by the BCE. The Information Commissioner can be contacted at:

The Office of the Information Commissioner
Wycliffe House
Water Lane

Kind regards

Subject: FOI Request- Organisation information

You don't often get email from [REDACTED]. [Learn why this is important](#)

Dear FOI Team,

I am writing to obtain the following information under the freedom of information act. Please provide the following information for the 2022-23 and 2023-24 financial years:

The total income your organisation received from the government in each year.

Your organisation's total expenditure in each year.

Your organisation's total staff headcount in each year.

The year in which your organisation was originally founded

For the purposes of this FOI, income from the government refers to all income you received from the UK government.. This is most likely in the form of government grants but could also be through other mechanisms.

Total expenditure refers to the total amount of money your organisation spent in each financial year. If this is not available, please provide net expenditure and identify it as such.

Your organisation's headcount refers to the total number of staff employed during each financial year. If a total headcount is not available please provide the full-time equivalent figure and identify

it as such.

The year in which your organisation was founded refers to the initial founding of the organisation rather than a name change. Please provide the earliest possible date for this.

Finally, I have included a table below to format answers, please feel free to use if it makes the response easier:

Question	Answer
Total taxpayer funding	
Total expenditure	
Full headcount	
Organisation's founding	

Best wishes,
