Dear [REDACTED]

BCE-FOI-2026-01

Thank you for your email request for information to the Boundary Commission for England (BCE) on 12 November, which has been considered under the terms of the Freedom of Information Act (FOIA) 2000.

In your request for information you asked:

Please can you provide a copy of the representations and any other evidence that you received or considered in relation to the boundaries and composition of the Gorton and Denton Borough Constituency.

Our response:

I attach a number of files.

Commission papers used in the decision making process.

Spreadsheets contain all of the representations mentioning Gorton and/or Denton.

Where representations include attachments, these are included as a separate file.

Transcripts of the public hearings where Gorton and/or Denton were mentioned.

The volume of material is such that I have provided files in zip format, for which you will need to use freely available software such as 7-Zip to access.

Under the provisions of the FOIA, if you are dissatisfied with the response provided you may wish to ask for an internal review. If this situation arises you should write to:

The Acting Secretary  
Boundary Commission for England  
2 Marsham Street  
London  
SW1P 4DF

Email: [information@boundarycommissionengland.gov.uk](mailto:information@boundarycommissionengland.gov.uk)

If you are not content with our response following an internal review, you may apply directly to the Information Commissioner for a decision. Generally, the Information Commissioner cannot make a decision unless you have exhausted the complaints procedure provided by the BCE. The Information Commissioner can be contacted at:

The Office of the Information Commissioner  
Wycliffe House  
Water Lane  
Wilmslow  
Cheshire  
SK9 5AF

Kind regards

Dear Parliamentary Boundary Commission for England,

In the 2023 Review of Parliamentary Constituency Boundaries in England – Volume one: Report – North West - Greater Manchester, paragraph 844, you wrote “Our Assistant Commissioners considered, and we agreed, that there was very persuasive evidence provided in the representations that the Denton area itself was originally overspill from east Manchester, and that the areas are well linked both physically and in community terms.”

Please can you provide a copy of the representations and any other evidence that you received or considered in relation to the boundaries and composition of the Gorton and Denton Borough Constituency.

Yours faithfully,

[REDACTED]
